## SIGMA UPSILON.

### LITERARY FRAT OUTLINES WORK

Five Members Return—College Publications

Discussed—Dr. Hall Was Chosen

Honorary Member.

Friday night, immediately after the Athletic rally, the Gordon Hope Chapter of Sigma Upsilon held its first meeting of the year at the Theta Delta Chi House. The meeting was called to order by the president and was turned over to business and discussion of plans for the present year.

The first matter of business taken up was in regard to the meetings and it was decided to hold meetings on every other Friday; one Friday to have the honorary members of the faculty to meet with the regular members, and on the other Friday to have only the undergraduate members present. The honorary members will meet with the society at the next meeting to be held two weeks hence.

The second item to be considered was in regard to the inauguration of a movement to let the student body know what Sigma Upsilon means in College life. The chief point brought out to be put before the students was that it is purely honorary. If a man shows any literary talent the object of Sigma Upsilon is to get hold of him and to develop this talent as much as possible. The fraternity has a good many chapters and at all other places is looked upon as an undergraduate Phi Beta Kappa. For the past two years and even this year every editor of every publication of William and Mary has been a member of this society.

At this meeting an essay by J. P. Ingle, associate editor of the Magazine, was read and criticised very favorably. The hope was expressed that much more material of this sort could be discovered. Another plan adopted was that at every meeting members should have selections that would be read before the society and discussed. The selection may be in the shape of poetry, story or essay. By this way it is desired to help feed the Magazine.

Mr. Chandler offered a suggestion that every member try to get students to write something and allow it to

## JACKETS SURPRISE INDIANS

Orange and Black Eleven Victims of Open Play—

Goslee and Wilson Play Hard—Visitors

Outplayed in Second Half.

In the first championship game of the series, the Randolph-Macon Yellow Jackets defeated the William and Mary eleven to the tune of 17-0. The game was marked by repeated fumbles on the part of both teams, and by successful forward passes by the Jackets.

For Randolph-Macon, Cogbill and Randolph starred while Captain Wilson and Goslee played a fine game for William and Mary.

The game was hotly contested by both elevens, several men being injured. Cogbill and Woodfin, of the Jackets, were taken off the field.

### FIRST QUARTER

Randolph-Macon kicked off to William and Mary, Ellis receiving the ball ran it back 20 yards. The Indians were forced to kick on the fourth down. Cogbill receiving the ball ran it back about five yards. The Jackets then made ends runs and line plunges to the extent of two first downs, only to loose the pigskin to the Indians on downs. After exchanging the ball twice by punting, Randolph-Macon gained 12 yards on a forward pass to left end. The Indians were penalized for being off side, giving the Jackets another first down. The Jackets attempted to drop kick goal, but failed. The first quarter was up with William and Mary in possession of the ball in mid field.

### SECOND QUARTER

The Indians began a strong attack with an end run, and made first down on a penalty. Several tries at the line failed and the ball went over to Randolph-Macon. End runs, line plunging and a penalty netted the Jackets two first downs. Randolph-Macon's end, Moss, dropped a long forward pass, and the Indians got the ball on downs. The ball was then carried up and down the field by both teams until by a series of end runs and forward passes Randolph-Macon brought the ball to William and Mary's 15 yard line from which Hiener makes a field goal, the first score of the game. Randolph-Macon then kicked to William and Mary. Burford fumbled

and the Jackets recovered the ball. By end runs and forward passes Randolph-Macon again took the ball to their opponents 5 yard-line, from which they made a touchdown through the line. Reardson kicked goal making the score 10 to 0. After the kick-off the ball was exchanged by punts and the first half ended with the Indians in possession of the ball.

### THIRD QUARTER

The Indians came back with a great deal of pep and fight.

Randolph-Macon kicked off. Fentress received the ball, running it back 25 yards. Then by line plunges, made chiefly by Close, William and Mary made two first downs. The Jackets got the ball on downs and after several exchanges of the ball the whistle blew for the end of the third quarter.

### FOURTH QUARTER

Both teams seemed evenly matched in this quarter until Waters, Randolph-Macon's left halfback, intercepted a forward pass and raced 55 yards for a touchdown. The goal was kicked by Randolph making the score 17-0. Randolph-Macon kicked off. After several plays the whistle blew with the ball in possession of the Indians.

This game has given the coaches an ample opportunity to get a line on the men and we feel confident that the team will take a brace. Richmond College will be played at Richmond next Saturday.

The line-up:

W. & M.	Position	R.-M.
James	left end	Christian

## GLEE CLUB AT WORK

PROF. CRAWFORD DIRECTING WORK

Vocalists Sing at Athletic Rally—Attractive

Programme to be Rendered Later—

Members Enthusiastic

Shortly after his return to William and Mary this fall as the instructor in the Art Department, Professor F. M. Crawford sent out a call for candidates for the Glee Club. Over thirty students responded but the number has been reduced to about twenty. These men, who are the survivors of the fittest in vocal talent, are practicing regularly under the supervision of Professor Crawford. At present they are being trained in the rendition of "Alma Mater."

Friday night at the athletic rally, the members of the Glee Club sang as a prelude to the program of the evening. It was quite a treat to the old men as well as the new to have the College anthem rendered artistically, and a hearty applause followed. Arrangements were made for this outlay of vocal talent to occupy the front seats in the grand stand at athletic contests, where their voices can ring out with College songs not very remote from the home team's bench, and help to carry the tunes for the Orange and Black supporters.

As soon as the Club has mastered the College songs, numbers of a new and more difficult sort will be undertaken. Prof. Crawford hopes to be able to give a musical entertainment sometime this fall that will be a credit to the Glee Club and a compliment to the College.

### DOCTOR'S HOURS

During the past week a number of the students have complained about not being able to get medical attention by the College physician. Dr. King may be found at the College Infirmary from 9:00 to 10:00 a. m. daily. This is the only time during the day that you may be certain to see him. Occasionally, he is with the football team on Cary Field in the afternoon. His phone call is 42.

The Academy student body elected M. M. Amory as secretary-treasurer of the Athletic Association, and M. A. Acree manager of the baseball team for the coming year.

### OUT OF BOUNDS

When student self-government was adopted at William and Mary, a definite plan was agreed to and put into practice. It calls for an administrative Council composed of four Seniors, three Juniors, two Sophomores and one Freshman. The members of the Student Council are elected by their respective classes, and have supervision over all cases coming under the Honor System.

At the last meeting of the Student Council five Seniors went into session with that body, the extra member being selected by the Council to act as chairman. Such action is contrary to the plan of self-government adopted and can find no support by precedent. For the past two years only ten men have served and there seems no justification for the change. In fact, the Council has no authority to elect or expel any member, if there were a necessity for such action. According to our method, this is the business of the student body. Whether the additional member is endowed with a vote or not is of little concern to those outside the Council, but his presence in that body without being elected is a total disregard of the privilege of election guaranteed the classes by the constitution. We cannot ratify such a change, nor the manner in which it was brought about. It is to be regretted that the Council, which is doing such good work, is not in strict accordance with the constitution now in vogue.

Although the Council has recently drawn up a new constitution calling for eleven members, it can be readily seen that this is a simple case of a party in power passing a bill to justify its former acts. Before the students of William and Mary ratify the constitution as a whole, they

should learn why that section calling for an additional member was inserted. With this exception, the new constitution is a near approach to perfection. We trust that it will be adopted in part.

### Y. M. C. A. WORK

The regular weekly devotional service of the Y. M. C. A. was not held last Wednesday evening, because the program committee was unable to secure a speaker. The speaker whom the committee had engaged for the service was taken sick on Wednesday and found that he would be unable to make the address, but there was not sufficient time to get another man to fill the vacancy.

Vice-president, H. H. Simms, has been especially energetic since he assumed the duties of his office, and he has planned carefully a series of short addresses to be delivered at these mid-weekly services. The themes of these series should appeal to college men, because they will deal with questions of vital importance to young men who are beginning to have doubts.

Beginning next Wednesday night at 7:00 o'clock Dr. Geiger will take the first subject in his theme which will be "The Young Man in Religion and his Doubts." Any man who is perplexed as to what he should believe in this day of so many creeds and various doctrines should not fail to hear this series of discussions by Dr. Geiger.

### SCHOLARSHIP RECORDS OF 1915-16

On Thursday of last week Mr. Bridges, the College registrar, posted a record of the grades (average) of each Fraternity at William and Mary. In compiling the statistics Mr. Bridges took as a basis the number of hours taken by each fraternity and worked out the percentage of failure by taking into account the total hours of failure. The grading of the fraternities follows:

	Per'tage of failure
Kappa Alpha.....	1.77
Pi Kappa Alpha.....	2.78
Theta Delta Chi.....	3.16
Sigma Phi Epsilon.....	5.49
Kappa Sigma.....	5.73

A comparison of the scholarship of the Greek letter and non-fraternity men as a whole on the same basis:

Non-fraternity .....	3.92
Fraternity .....	3.95

come before the society for discussion, and he urged especially to try to get more poetical productions. It seems to be a bad year for poetry as very little has been turned in to the Magazine.

Dr. J. L. Hall was elected the honorary member this year. This brings the total number of honorary members up to three, Professors Wilson and Clark being the two old members.

Some time during the year Sigma Upsilon plans to secure the services of a distinguished literary talent to deliver an address before the student body. This was done last year by having Dr. Metcalf of Richmond College give his lecture on "Bret Harte and the Western Short Story." An effort will be made this year to have Dr. Kent of the University of Virginia lecture.

The students in college who are member of Gordon-Hope are P. N. Derring, H. G. Chandler, C. R. Heflin, I. W. Robinson, and T. Pullen. W. C. Ferguson, '16, now instructor, was also a member. Drs. Hall, Wilson and Clark are the honorary members of the faculty, while Rev. G. H. Newberry was a member of the Randolph-Macon chapter.

V. L. Guy and wife were seen in town during the week end.

Among the old students who saw the game Saturday were: Woodson, Booth, Green, Wiley, Gayle, W. D. Harris and H. L. Harris.

Prof. S. A. McDonald, who is now principal of Deep Creek High School, was one of the old students at the game.

### WEATHER FORECAST:

It rains sometimes at Williamsburg.

It is said that the allies are wont to call the U-boat a D-boat.

## LITERARY SOCIETIES.

Last Saturday night the Philomathean preliminaries for the annual Freshman Intersociety Contest was held. The contest was very spirited and in most cases very close. As no one entered the reading contest, it was decided to elect a representative. The following men will represent the society, when they meet the Phoenician Freshmen on the night of November 6th:

G. M. Nicholson, Oratory;

J. F. Johnson, Reading;

M. H. Hobson, Declamation;

I. D. Akers, Debate.

The following men were chosen at the same time by the Phoenix:

W. C. F. Ferguson, Reading;

R. A. Brayshaw, Declamation;

L. E. Warren, Oratory;

A. E. Acey, Debate.

### Track Squad Improving.

It is now apparent that at last track has been not only recognized but accepted at William and Mary as a Major Sport. The grounds for this assertion is the fact there is a good squad of men on the athletic field every afternoon for practice, with the additional fact that these men are there for real work. This is self-evident from their perseverance in practice, although many of them are yet sore. The new men as well as the old are showing marked improvement in both the distance runs and field events.

The semi-weekly Hare and Hound Chases are creating considerable enthusiasm besides providing the best possible training for wind and endurance in general. These runs are held every Tuesday and Friday afternoon and the management earnestly urges all track men to participate in them.

The three men now leading are Saunders with 13 points; Fox with 12 points, and R. Johnson with 9 points.

If things continue to improve as they have for the past three weeks it is a very conservative guess that by Spring, William and Mary will have a Track team to be proud of and as good as any in the E. V. I. A. Association.

We usually beat Richmond College in baseball, and basketball. Why not in track?
